Course handouts: Master Personal Endings Chart

Memorization:

[1] Continue to "Memorize the Master Verb Chart" (Indicative mood) through Ch. 25 (see. p. 233)

[2] Review (and re-memorize) the "Case Endings for All Three Declensions." [This becomes *critical* to know as we begin participles, since they are declined like adjectives!]

[Check your homework using the Answer Keys available at my website

<http://biblicallanguages.wordpress.com/greek-grammar-summer-2009/>. This is also where you'll find the course handouts and any practice sheets.]

- [3] For Ch. 27 Present Participles: Memorize the 6 forms/endings of the present active participle (p. 249) and the 6 forms/endings of the present middle/passive participle (p. 251).
- [4] For Ch. 28 Aorist Participles: Memorize the 6 forms/endings of the first aorist active participle (p. 260), the 6 forms/endings of the first aorist middle participle (p. 261), and the 6 forms/endings of the first aorist passive participle (p. 262).
- [5] Vocab for ch. 24–27. [Note: don’t forget the new verbal info under “previous words.” You need to know the principal parts of the verb well enough to identify them as the new tenses--if they are significantly different from the lexical form. This is especially important where one verb uses two different roots for different tense stems.]

Written Assignments:

- [1] BBGW Ch. 24 (due Mon), Ch. 25 (due Tues); Ch. 27 (due Wed); Ch. 28 (due Thur): Parsing, Warm-Up, Translations #'s 1–10.
