

Practice Sheet #3: Line Diagramming Sentences from Genesis 3 ANSWER KEY

Using Grassmick as your guide, complete a line diagram of the following sentences from Genesis 3. NOTE: Use a pencil--as I suspect that you'll be erasing and re-writing quite a bit as you learn the ropes.

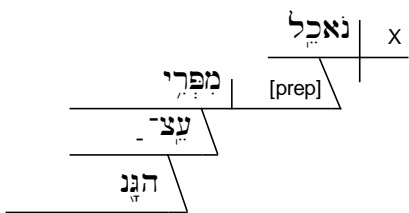

[1] Gen 3:1a¹

וַהֲנִיחַשׁ הָיָה עָרוֹם מִכָּל חַיַּת הַשָּׂדֶה

[2] Gen 3:2b

מִפְּרִי עֵץ-הַגֶּן נֹאכַל:

¹ Note: because the preposition מִן has been attached inseparably to the noun כָּל, I do not place the preposition on the right side of the line. However, to indicate that I have here a prepositional phrase, I place brackets around the English term for the grammatical unit that is explicitly attached to the noun but cannot be placed here. What I've done here is to be contrasted with the practice of *supplying* a word enclosed in parentheses that is not explicitly present in the sentence, as in the the verb “to be” in verbless clauses for some who diagram (others place an ‘x’ in that omitted slot).

[3] Gen 3:4b

לֹא-מֹת תִּמָּוֶת:

[4] Gen 3:7d

וַיַּעֲשׂוּ לָהֶם חֲגֹרֶת:

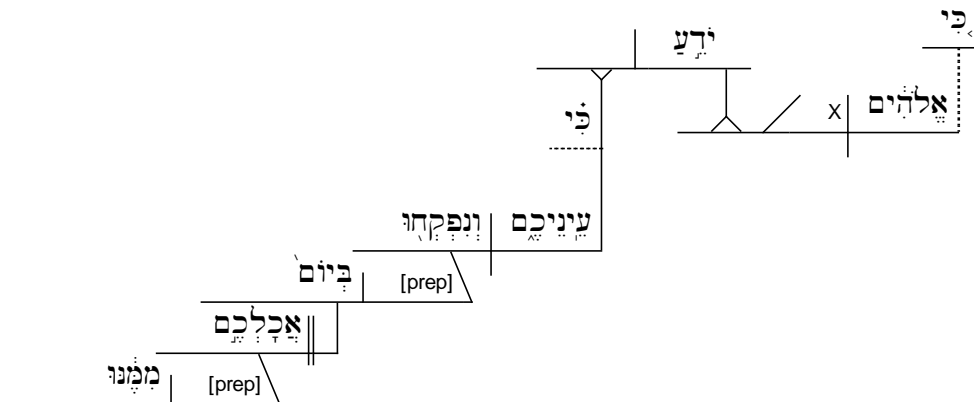

or

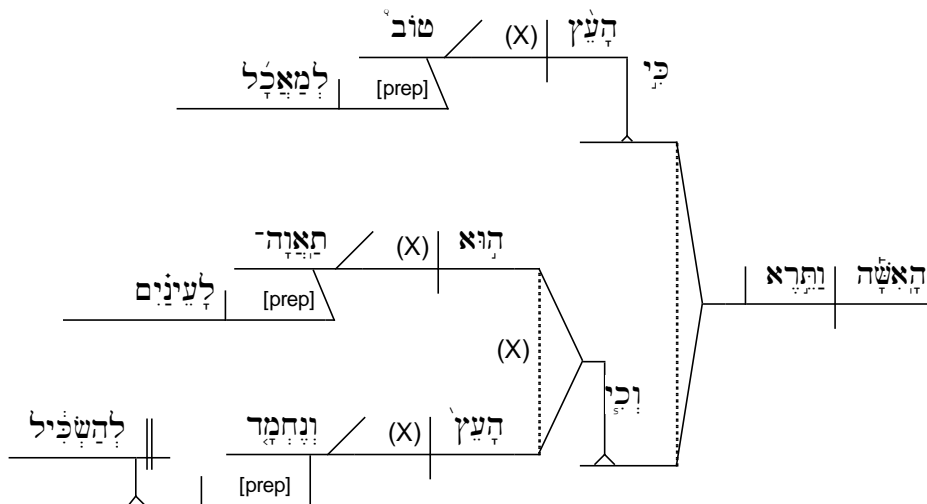

[5] Gen 3:5a

בִּי יֵדַע אֱלֹהִים כִּי בַיּוֹם אֲכָלְכֶם מִמֶּנּוּ וְנִפְקְחוּ עֵינֵיכֶם

[6] Gen 3:6a

וַתֵּרָא הָאִשָּׁה כִּי טוֹב הָעֵץ לְמַאֲכָל וְכִי תֹאמַרְהָוּא לְעֵינַיִם וְנִחְמַד הָעֵץ לְהַשְׂכִּיל

[7] Gen 3:12

וַיֹּאמֶר הָאָדָם הָאִשָּׁה אֲשֶׁר נָתַתָּה עִמָּדִי הִוא נָתְנָהּ לִי מִן־הָעֵץ וְאָכַל:
