Fall 2013

Department of Theology

COURSE DESCRIPTION

GREK 2312: An introduction to the forms, vocabulary, and grammatical usage of the Koine Greek, designed to give the student the tools necessary for translation of the Greek New Testament.

Greek Grammar (GREK 2312) may be taken anytime during a student's tenure at HBU. It is the first part of the basic program of study in Greek Grammar. GREK 2312 fulfills three hours of the Liberal Arts Core Curriculum Foreign Language requirement. Students who complete GREK 2312 in the fall may enroll in GREK 2322 during the following spring. It is recommended for students who complete both GREK 2312 and GREK 2322 to enroll in Greek Syntax and Reading courses to continue learning. The only prerequisite is a sincere desire to learn Biblical Greek!

GREK 5301: Greek I is a study of Koine Greek grammar and syntax for reading the Greek New Testament and selected extrabiblical literature.

Greek I (GREK 5301) may be taken by students enrolled in the MATS to fulfill elective credit, or by students entering the MABL program who are required to complete Greek leveling work. It is the first part of the basic program of study in Greek Grammar. Students who complete GREK 5301 in the fall may enroll in GREK 5302 during the following spring. It is recommended for students who complete both GREK 5301 and GREK 5302 to enroll in Greek reading courses to continue learning. The only prerequisite is a sincere desire to learn Biblical Greek!

COURSE OBJECTIVES

Overview/ Purpose of the course

The instructor will guide students toward achieving a basic grasp of the Koine Greek language. Students will be encouraged to continue their study of Greek through course work at HBU and on their own in the future.

Upon completion of this course, students should be able to demonstrate (through class work, quizzes, and written examinations) the ability to:

1. Demonstrate ability to identify and parse Greek nouns and adjectives of the first, second and third declensions.
2. Demonstrate ability to identify basic Greek grammatical forms, including adjectives, pronouns (personal, demonstrative, relative and αὐτός), and the article.
3. Demonstrate ability to identify, parse and conjugate verbs of the present tense indicative mood.
4. Demonstrate the ability to identify basic syntactic functions of the various Greek grammatical forms listed above.
5. Demonstrate ability to sight-read clauses and brief Greek sentences with verbs in the present tense.
6. Demonstrate ability to recognize and translate Greek vocabulary terms that appear frequently in the New Testament and other early Christian texts.

RELATION TO DEPARTMENTAL GOALS AND PURPOSES

The mission of the Department of Theology is to provide students with a foundation in the classical theological disciplines, facilitate intellectual and spiritual growth, and equip individuals in skills essential to Christian ministry.

Consistent with this mission, this course is a basic introduction to the Koine Greek language, which will serve as the foundation for reading original texts in the Judeo-Christian tradition from linguistic, rhetorical, literary, and theological perspectives. The course gives the students opportunity to grow in the Christian faith and to develop in service to community and church.

RELATION TO THE SCHOOL OF CHRISTIAN THOUGHT GOALS

The mission of the School of Christian Thought is to serve and equip the Church; to provide students with foundational knowledge in philosophy, theology, and apologetics through reading and engagement with the ideas and languages of classic and biblical texts; to challenge students to display sound reasoning, to communicate clearly,

and to demonstrate effective research skills; and to foster both intellectual and spiritual growth as students and faculty alike seek to glorify God in all things.

This is accomplished by teaching students how to read ancient Greek texts using the best grammatical and linguistic tools.

RELATION TO THE PURPOSE STATEMENT OF THE UNIVERSITY

The mission of Houston Baptist University is to provide a learning experience that instills in students a passion for academic, spiritual, and professional excellence as a result of our central confession, “Jesus Christ is Lord.”

This course seeks to provide an educational atmosphere which fosters academic excellence, freedom of thought, moral and spiritual development of students, and the enrichment of life through the Christian faith and message.

COURSE REQUIREMENTS & GRADE SCALE

Teaching Strategies

Language acquisition requires the accumulation of various vocabulary and grammar skills. To assist the student in these tasks, the professor will present aspects of Biblical Greek grammar during class and students will practice these skills in class. The professor will also assign practice exercises from Mounce’s Workbook (BBGW) as well as occasional drill sheets on a regular basis to be done outside of class, to be corrected using an answer key before the next class meeting, and to be reviewed in class. In addition, with each textbook chapter the professor will assign vocabulary words to memorize to be utilized in translation and grammar exercises. Weekly grammar/vocabulary quizzes based on each textbook chapter will facilitate the acquisition of new words and the application of grammatical concepts.

Note on Vocabulary Memorization: For nouns, students must learn the article that accompanies the noun (so they will know the noun’s gender) as well as the noun’s genitive form (so they will know its declension pattern). For verbs, students must learn the principal parts of the verb. [This information will not make sense right now, but it will once we get into the appropriate chapters of Mounce.]

In order to download all the necessary course handouts (assignments/course outline, syllabus, grammar handouts, Workbook answer key, drill sheet answer keys), students should go to my website: <http://BiblicalLanguages.net>. There is a link to this website on the homepage of this course in Blackboard.

Course Requirements

1. In addition to the MWF 12-12:50pm lecture time, students will attend a 50-minute language lab on Mondays from 1-1:50am (the hour immediately after our class). Please see the instructor if you have a class conflict and we'll work out something. We will focus on oral (speaking) and aural (listening) skills, visual learning, and active participation.

The student is expected to attend all class meetings, participate in class discussions, take notes on lecture, and meet the requirements of the course as indicated by the professor or instructor, this syllabus, and the assignments given. You are permitted to be absent 3 times without penalty. After that, each absence will result in reducing the final grade by one-fourth of a letter grade.

2. Students will take two major exams this term in which they will demonstrate their knowledge of grammar and their ability to translate Greek phrases and sentences. The dates for these examinations are given on the Course Outline.

3. In addition to these major exams, students will demonstrate their knowledge of Koine Greek vocabulary, grammar, and syntax during regular quizzes. To determine the final grade, the instructor will drop the two lowest quiz grades. These opportunities are designed to keep students involved in a regular program of study. (You cannot acquire a second language by "cramming" at the last minute; regular, systematic study is required!) Quizzes on a chapter of Mounce will occur at the beginning of the next class meeting after we have covered the homework for that chapter in class.

4. Students will demonstrate their ability to translate Koine Greek sentences and to parse assigned words through the Workbook exercises (BBGW). Occasionally there will be drill sheets that I have designed for you. At the conclusion of each lecture period, exercises for each lesson are specified. Students will have received an answer key, and prior to the next class, they should have checked their work and attempted to understand why they missed any answers. They are to come to the next class prepared to ask questions on any exercise question that they got wrong and could not understand why they were incorrect.

Students will turn in their Workbook assignments and drill sheet exercises for each Mounce chapter on the day that the quiz for the chapter is taken; these are to be completed and corrected to receive full credit. *If it is not clear that the student has corrected his/her homework for a given assignment, the student will receive 0% for that assignment.*

5. Students are encouraged to spend at least two to three hours per week practicing their Greek skills on a computer utilizing the resources on Mounce's website <http://www.teknia.com/basicsofbiblicalgreek/resources>, where they may listen to summaries of BBG, review/quiz themselves on vocabulary words for each lesson (using Flashworks), and view homework answers.

MA students are also required to read all portions of the Long textbook that cover the same kind of material that we cover in the Mounce textbook.

6. The final grade will be determined according to the following percentages:

a. Midterm Exam 1	30%
b. Final Exam	30%
c. Quiz Average	30%

d. Homework Average

10%
