

Practice Sheet #3: Line Diagramming Sentences from Genesis 3 ANSWER KEY

Using primarily Marshall (and where helpful Grassmick) as your guide, complete a line diagram of the following sentences from Genesis 3. NOTE: Use a pencil--as I suspect that you'll be erasing and re-writing quite a bit as you learn the ropes. I have provided English above the Hebrew for ease of reading the diagrams, but this is not required of you.

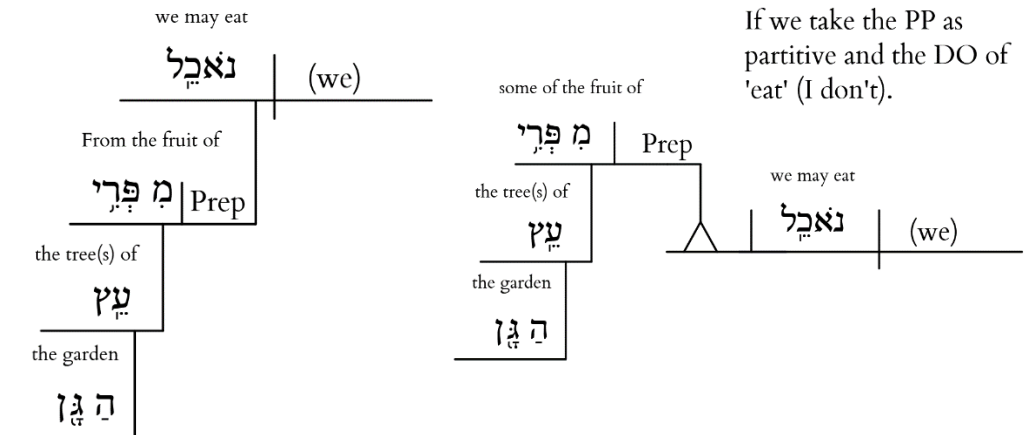

[1] Gen 3:1a¹

וְהַנָּחֹשׁ הָיָה עָרוֹם מִכָּל חַיַּת הַשָּׂדֶה

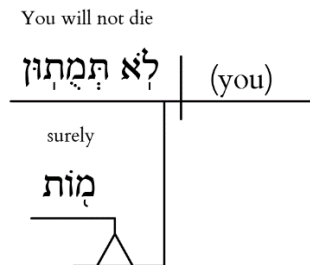

[2] Gen 3:2b

מִפְּרִי עֵץ-הַגֶּן נֹאכָל:

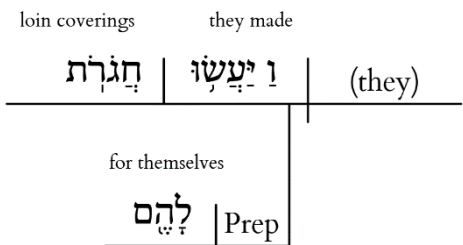

[3] Gen 3:4b

לֹא-מֹת תָּמָתוֹן:

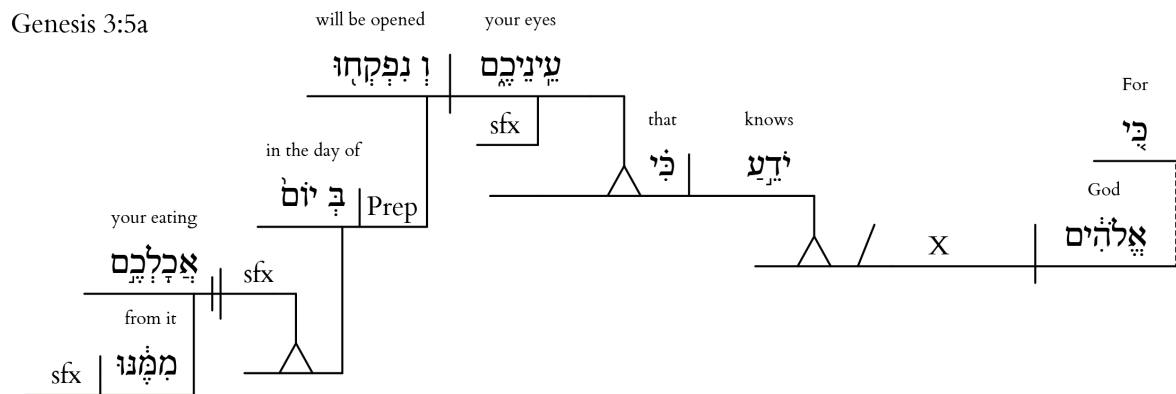

¹ Note: because the preposition מִן has been attached inseparably to the noun כָּל, I do not place the preposition on the right side of the line. However, to indicate that I have here a prepositional phrase, I indicate the English term for the grammatical unit that is explicitly attached to the noun but cannot be placed here. What I've done here is to be contrasted with the practice of *supplying* a word enclosed in parentheses that is not explicitly present in the sentence, as in the the verb "to be" in verbless clauses for some who diagram (others place an 'x' in that omitted slot). Since the prep is not technically missing, I'm not "supplying" it in parentheses; I'm just drawing attention to the fact that it is present but not in the slot that occupies.

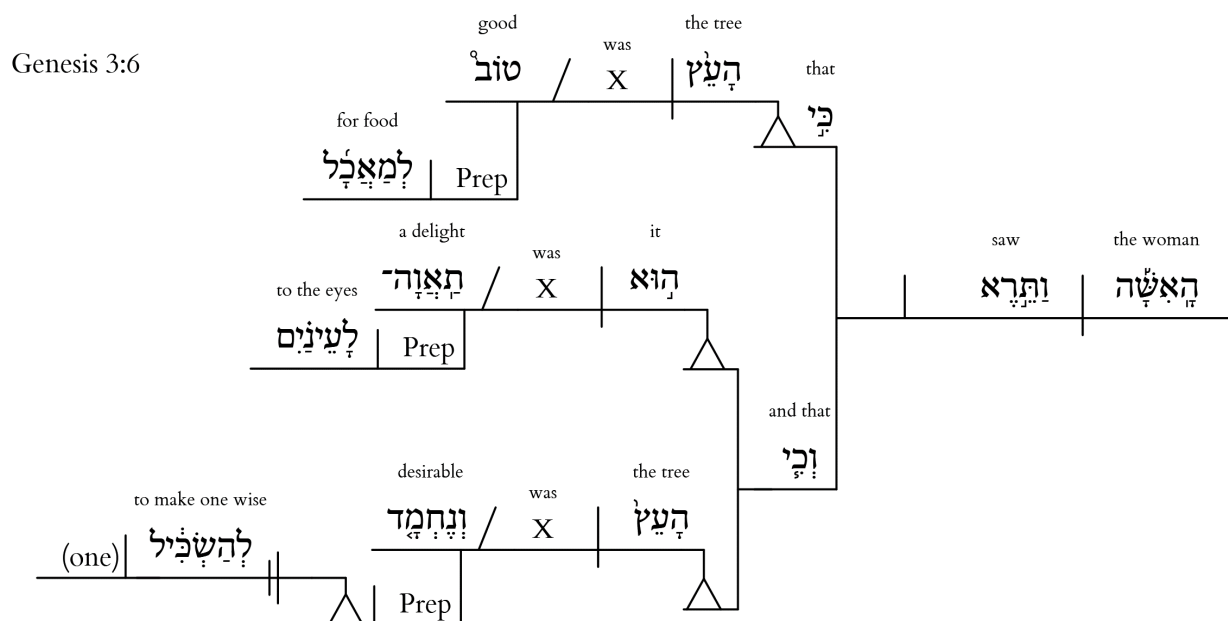

[4] Gen 3:7d
וַיַּעֲשׂוּ לָהֶם חֲגָרֹת:

[5] Gen 3:5a
כִּי יֵדַע אֱלֹהִים כִּי בְיוֹם אֲכָלְכֶם מִמֶּנּוּ וְנִפְקְחוּ עֵינֵיכֶם

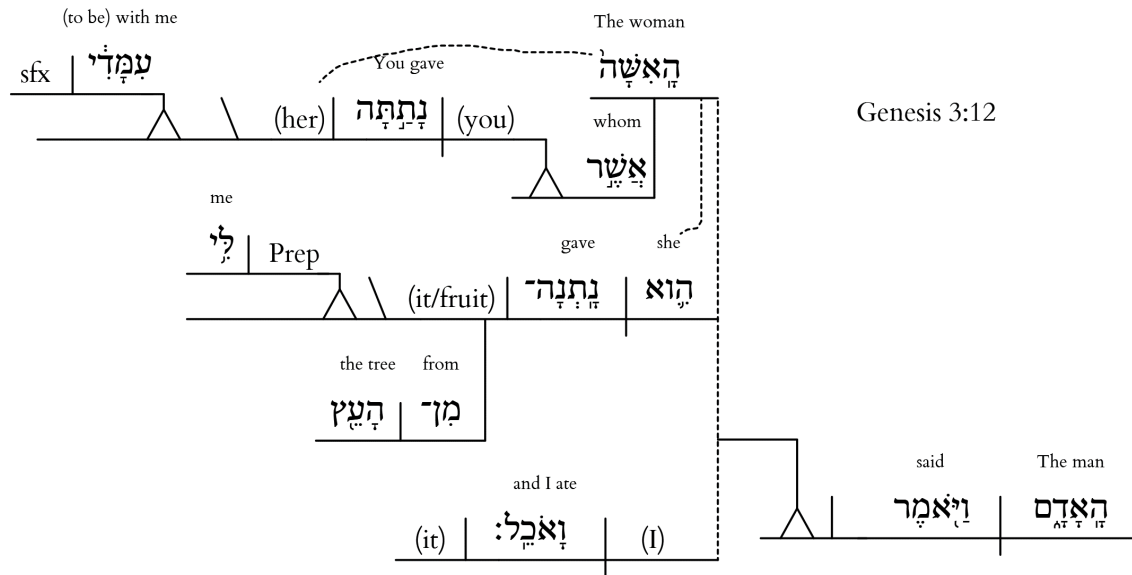

[6] Gen 3:6a
וַתֵּרָא הָאִשָּׁה כִּי טוֹב הָעֵץ לְמַאֲכָל וְכִי תֹאדָה־הוּא לְעֵינַיִם וְנַחֲמַד הָעֵץ לְהַשְׂכִּיל

[7] Gen 3:12

וַיֹּאמֶר הָאָדָם הָאִשָּׁה אֲשֶׁר נָתַתָּה עִמָּדִי הִוא נָתַתְּהָ לִּי מִן־הָעֵץ וָאֹכַל:
